***Take Me Out's* Toni – topless!**

**Our lights are on
for this TV beauty!**

WE KNEW the
latest series of
Take Me Out

would be full of the same
old catchphrases. But
what's got us hot under
the collar is the arrival of
the lovely Toni Anwyll.

The chesty Cheshire
lass has made Saturday
night TV worth staying
in for in recent weeks,
and here she is in all her
glory, minus the other
29 girls and minus her
clothes. We likey! ▶

BUZZING BEAUTY!

As well as
appearing on
Take Me Out,
Toni has also
made headlines
dating QPR's
Joey Barton!

Turn the page
for more of Toni!

Hi Toni! Did you like your time on *Take Me Out*?
Yes, it was great fun! I would've preferred a better choice of boys, though.

How can a guy impress you?
I like guys to be cocky. I like a man who dresses well, too.

What's the worst thing a guy could do on a first date?
I'd hate to be taken to a grotty old man's pub. If a guy did that, I'd be heading out of there!

What would you say is your best physical feature?
I do love my chest. Check out my lovely long legs as well!

Have you been recognised?
Yes, loads. Everyone says I look better in the flesh!

Do all the girls hang out together back stage?
Of course! Other than a couple I didn't get on with, I've kept in touch with everyone.

Are you surprised by the popularity of the show?
Definitely. We had more viewers than David Beckham had on *The Jonathan Ross Show*.

What was the best talent you saw showcased on the show?
Ollie from Manchester played the saxophone, which was cool.

You got yourself a date on last week's show. How was the island of Fernando's?
It was freezing! And you get blindfolded on your way to the date, so you can't see much.

What are your own favourite shows to watch on telly?
I'm into *Celebrity Juice*. I love Keith Lemon.

Thanks, Toni! Finally, Do you prefer a cosy night in or a big night out on the town?
It has to be a mad night out – I'm the ultimate party animal!

● *Take Me Out* is on on ITVI/HD on Saturday evenings

**“I love my chest
and my lovely
long legs!”**

Bye bye bridge!

Proof that blowing things up really is ace

WHAT ON Earth do you do with an enormous bridge when it is getting old and doesn't get used very much? You make it disappear, of course. But how do you make something so huge disappear? Lots and lots of explosives, of course! And if you have a quick-fingered

photographer handy, you can even capture the spectacular moment the whole thing goes boom!

So it's with a tear in our eye that we say goodbye to the 83-year-old, 382-metre Fort Steuben Bridge in Ohio. It's sad to see you go, old mate, but the way you went was pretty ruddy cool!

Never again

Sleeping Dogs first play!

GTA in Hong Kong. Played by us!

AS HIGH-CONCEPT

pigeonholing goes, new title *Sleeping Dogs* is simple – it's *GTA* in Hong Kong. So it's an open-world, mission-based action adventure featuring hand-to-hand combat, gun-based shooting and driving missions in one of the world's craziest cities.

The next *GTA* (it'll be *GTA V* and will be based in a fake Los Angeles) is still miles off being released, and this good-looking, action-packed and fun Triad-puncher could well be the best time-filler until that day finally arrives.

Plus, Hong Kong is a genius location for this sort of game. So, make sure you save a place in your hearts for *Sleeping Dogs* when it hits the streets late summer, on PS3 and Xbox 360.

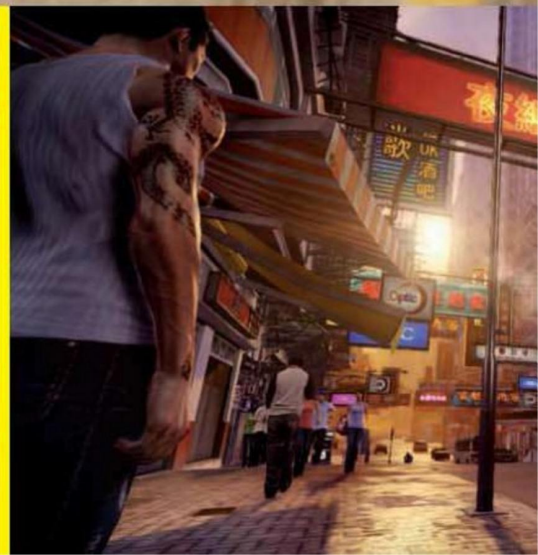

STREET RACES

Hong Kong's streets are littered with sleek supercars to "acquire". That means street races.

WORDS: RORY BUCKERIDGE

WE'VE PLAYED IT!

In Hong Kong! In a dark room! Presumably so our man's ugly mug couldn't be seen. Pretty it ain't!

OldMags.net

INFILTRATE THE TRIADS!

Wei Shen's a cop out to infiltrate the Triads and win their trust with drug deals and assassination missions.

CHOP-SOCKY ACTION!

Using martial arts, you can finish off opponents into stuff like air-conditioning units and off buildings!

FRANTIC GUNPLAY!

Sometimes fists alone won't suffice, so *Sleeping Dogs* has a slick, cover-based shooting mechanic.

HONG KONG!

From neon-lit backstreets to posh shopping street Nathan Road, you'll enjoy tearing Hong Kong up!

VEHICLES

Hong Kong's an island that spreads to the mainland, so you'll be piloting sleek boats, too.

Tulisa's tiny top!

Fazer, you may wish to avert your eyes now!

THEY'RE VERY clever creatures, ladies.

While blokes get over the end of a romance by brooding in the pub, women seem to treat it as an excuse to give themselves a nice holiday. And as we all know, nice holidays usually afford a lady the opportunity to crack out the tiny bikini.

Well, that's what N-Dubz's lovely Tulisa chose to do after her split from bandmate Fazer, swanning off to Miami and sauntering around in a straining, decidedly undersized bikini.

We'd like to offer our sympathies to them both in what we're sure is a very difficult time, but at the moment we're just a little distracted. Sorry.

WORDS: PETE CASHMERE PHOTOS: XPOSUREPHOTOS.COM, FLYNETPICTURES.CO.UK

THREE'S A CROWD!

N-Dubz, featuring Tulisa, Fazer and Tulisa's cousin Dappy, announced a hiatus last year.

"I'll be honest, my bum is absolutely freezing!"

Russian dangling lunatic!

His name is Max, and he's as mad as, well, Mad Max!

➔ **AS IF** to prove Nuts is always first for mentalist Russians, allow us to introduce you to Max Polazov, the young gentleman taking the Russki craze of "urban climbing" to new, bonkers extremes.

Here he is taking a series of absurd risks by getting to the top of some

of Moscow's highest buildings (100 metres is about his minimum, and he's been up to 300 metres), and then hanging precariously off them, one slip from a long fall and messy death.

He does this despite the possibility of imprisonment if he's ever caught, but then it's fair to assume that Max doesn't worry about such things.

Max plans to visit the UK soon. Prepare yourself, Blackpool Tower!

The new BMW M6!

It's not a motorway, but it's good on them!

- It wasn't long ago that BMW was playing about in Formula One and the M6 had a V10 engine with nothing but air and fuel to magic up a stunning 500bhp. Fast-forward a few years and it's bye-bye F1 and V10. With its new M5 freshly launched, it was time for BMW to roll out its new coupé/convertible chariot brother.
- **This fresh design of the M6 brings more power, more speed and more miles per gallon. It borrows the state-of-the-art 4.4-litre V8 engine from the M5. So, smaller capacity and two fewer pistons than the 5.0-litre V10, but don't weep – there are now two turbos bolted on top.**
- Besides a whooshing sound on full throttle, it means 52bhp and 122lb-ft more than the V10. Oh, and 28.5mpg – not that you'd ever buy an M6 to scrimp on fuel bills.
- **So, the headline figures? 552 horses. 502lb-ft of torque. 0-62 in 4.2 seconds, and it'll charge to 124mph from standstill in just over 12.5 seconds.**
- Not bad for something that weighs a far-from-anorexic 1,850kg (140kg more than its predecessor). And that's with a CFRP (carbon-fibre reinforced plastic) roof, aluminium-skinned doors and bonnet, plastic front wings and a glass-fibre boot lid. The forthcoming convertible version is 20kg off two tonnes.
- **It gets grunt from engine to tarmac using the same seven-speed dual-clutch gearbox as the M5 and, as always with a rowdy Beemer, rear-wheel drive.**
- **Meanwhile, an M division Active Differential ensures epic sideways skids and tyre torture.**
- In traditional (slightly odd) German governmental safety manner, the M weapon is restricted to top out at 155mph. However, purchasers who tick the box marked "M Driver's Package" will unlock the top end to 189mph.
- **When it goes on sale in September, you'll recognise the M6 over its lesser 6 Series cousins because of the functional exterior changes. These include a deeper front spoiler, a unique front grille and fatter rear diffuser housing signature M-style quad tailpipes.**
- The front wings feature extra-wide flares, which swallow 19in M rims wearing 265/40/19 tyres. The rears are 295/35/19.
- **It's all well and good slaying corners and keeping up with supercar pilots, but decent stopping-power helps. To that end, the M6 is being offered for the first time with optional carbon ceramic brake discs.**
- First you have to opt for the 20in rims, then the lovely men at M Power will slap on 410mm (front) and 396mm (rear) anchors that weigh 19.4kg less than the standard steel discs. Oh, and they're painted a fetching gold colour.
- **Having long been the favourite choice of nightclub bosses and boxing promoters, the M6 is the perfect choice for when you're four-up and need supercar-matching muscle. Shame it costs nearly 100 grand.**

The new M6 Cabriolet

The soft-top version of the M6 launches alongside its hard-topped brother. It comes with a price tag of £98,995, making it £5,200 more expensive than the coupé. For that extra few grand you get, in addition to the retractable hood, an extra 130kg of heft (the Cabriolet tips the scales at just under 2,000kg). It has the same 4.4-litre twin turbo

V8 engine and seven-speed gearbox, the same top speed, yet despite the additional bulk it's only 0.1 seconds slower to a 62mph sprint, reaching the magic speed after 4.3 seconds. That's quicker than Audi's R8 and Porsche's new 911 Carrera S. It does 0-124mph in 13.1 seconds, just half a second slower than the coupé.

WE'VE SEEN some mad medical miracles here at Nuts, but this one takes the crown.

Not that Carlos Rodriguez from Miami will be wearing one any time soon.

In his youth, Carlos was in a road crash that left him needing big chunks of flesh and bone removing from his head, giving him this misshapen bonce.

And yet he can smile through it all! Heart-warming. And horrible.

How is he still alive?

Carlos has had a craniotomy, in which skull bone is removed, but the brain itself isn't

necessarily affected. Doctors **Dawn** and **Pixie** from Channel 4's *Embarrassing Bodies* explain...

P: Different areas of your brain do different things – it may have affected his speech, coordination...

D: Elements of his personality may have changed, too, as it looks like his frontal lobe has been affected.

P: Obviously, any parts of his brain (if they were lost) can't be rebuilt.

D: But his skull possibly could be – most likely with titanium plates.

As a teen, Jim

"Ten's the perfect age!"

THE SIMPSONS are now 500 episodes and 25 years old, making them one of the longest-running and most popular TV shows in history. It also means Bart is the same age as me, because he's been ten for 25 years. That would actually be the perfect existence – ten is the ideal age to be. You don't have to do well at school, you can cry or throw a tantrum to get out of any argument, you get bought stuff all the time and you have no real concept of money. Now that I think about it, it's just like being a hot woman!

"Argh! Who left
that banana skin
on the floor!"

"Heston's pricey burger!"

HESTON BLUMENTHAL is about to make a burger that costs £207,535. That may seem like a lot of money for a burger but the high price is because it's made from the first meat grown in a test tube, from cow muscle and fat stem cells. Now, obviously, the implications of this for the world as we know it are huge. If you can grow animal flesh, then you can grow human flesh, maybe even organs. So I don't have to tell you of the benefits – they'll be able to put real t*ts on rubber sex dolls! I mean, of course, stem-cell research can be used to save lives, too but imagine – a rubber sex doll with real f**kin' t*ts!

"Dodgy friend request!"

A JUROR in a US court case has been sent to prison for sending a Facebook "friend" request to a defendant because he thought she was cute. It was deemed contempt of court and she wouldn't have been given a

fair trial. I don't think it's true – men can separate emotion from sexual attraction. I can't tell you how many times I've wanted to f**k a chick who was an evil cow. I even compiled a list of famous whack jobs who I'd shag, but there are two serial killers and two of Osama bin Laden's wives on there, so maybe I'll keep it to myself.

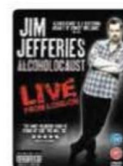

"Urgh! It's a
big caterpillar
on my lip!"

"Hitler in the Midlands!"

INFORMATION HAS just come to light that Adolf Hitler had already picked out a stately home in the Midlands in which he intended to live if Germany had won the war. I know it's hard to imagine, but this may have made Hitler into an even bigger c*ck than he already was. An Austrian speaking with a Midlands twang? You wouldn't know why you were punching him – the Holocaust, the war or just the ridiculous accent? Stories like this make me wonder what life would have been like if we'd lost the war – oppressed, living under a fascist regime, all speaking German, all the world one country. The up sides? Well, we'd always win the World Cup. Plus I really like blonde chicks with blue eyes.

IT'S HIS ARM!

'A wooden post went through my arm!'

Car tumble almost resulted in severed limb for unlucky reader!

➔ **ONE TINY** distraction is all it takes to cause carnage – as *Nuts* reader Gerry Weatherhead found out when a recent car smash led to this gloriously gruesome gash.

"I was driving along, doing about 60mph when I heard something small hit the windscreen," Gerry recalls. "The next thing I knew, I'd struck the kerb and the car went into a roll."

As soon as the car came to a halt, Gerry knew he was in trouble. "There was blood all over," he continues. "I felt a gash in my arm and pulled out two lumps of wood the size of chicken eggs. It turns out a wooden fence post had come through the driver's window, passed my chest, and gone through my left arm. I wasn't sure how my arm was going to stay attached."

After a hasty ride to A&E, Gerry discovered that the post

had severed his radial nerve, leaving his lower arm without feeling. Fortunately, doctors expect him to make a full recovery. And with that in mind, here's Gerry's final thought: "I'd just like to say that our NHS staff were and still are first class. I'd also like to say that if anything like this happens to any other *Nuts* readers, you must be positive in your recovery and let nature take its course."

Wise words indeed, Gerry!

SEX ADVICE FROM A FIT LESBIAN!

She wants naughty pics!

My girlfriend wants me to send her naughty pictures of myself to her mobile. I'm just really paranoid they'll end up in the wrong hands so I always refuse. Am I being a real bore?

MYLES London

Your instincts are right – images can easily go astray. At the very least I'd expect your girlfriend to show intimate photos to her female friends. Mind you, if you're impressive enough maybe you should go for it. At least give her a photo of your pride and joy as a screensaver, but no face pics!

Girls never stick around!

LETTER OF THE WEEK!

I find sex really messy!

Every time I have sex with my lady, she gets really, really wet downstairs. Every time we have sex, the sheets are sopping wet. Have you ever heard of this before and should I actually be proud of myself or something?

MALKY via email

Women normally get wet when sexually excited. The lubrication helps smooth sex. Better very wet than not enough juice, I say, and it's nice for you to lap it up when you give her cunnilingus. The only way of knowing if her wetness is a compliment to you is to ask her how wet she was with other men. You might enjoy hearing about that!

to next time somebody asks me how many girls I've been with. What do you think?

JOEL B via email

It depends what you want – lots of variety or a stable, long-term relationship. If it's the latter, you may need to play

down your reputation. Can you really do this, or do you still have a roving eye? And do you normally leave them, or do they dump you when they find out what you're like? Work out the answers to these questions but don't lie – that's bad form.

To trim or not to trim?

All my mates say they trim their pubes because it makes their penis look bigger and girls love it. Is this nonsense or should I start clipping my hairy chap?

HARRY Stoke

I'm not in favour of clipping for men – it's for girls, but if the appearance of your penis needs enhancement then I can make an exception for you. I haven't heard that girls like a clipped bush on a man, but then I probably wouldn't. I'd think they like a bit of a jungle so they can floss their teeth while giving you a blow job.

Hi Stacey! What did you have for dinner last night? I went out with my friend. You're not really going to put this in the mag, are you?

We might do. So, you've been partying it up in Las Vegas... Oh my God! Did you see the photos up on Twitter? Absolutely hilarious. There's one of Charlotte McKenna that was very rude!

Can you tell us what went down? You're not allowed to say, "What happens in Vegas, stays in Vegas," either. We all got absolutely smashed. You have an idea of what happens when we go on our holidays, *Nuts!*

Of all the other girls, who's the worst behaved on holiday? Everyone's bad for their own different reasons. Don't ask me to explain why, they'll kill me.

Rosie Jones? She's absolutely hilarious, because... Oh God, no! I can't say that. We're just all really bad and we all bounce off each other. Leave it at that, please.

Have you ever had a blazing row with any of the other girls? Not within the Glamily, no. We all get on too well.

Wait a second... did you just say "the Glamily"? You know about the Glamily! It's me, Rosie, India and Emma Glover. We were on holiday in Egypt and the song *We Are Family* came on. Someone said, "We are Glamily!" and it stuck.

What do you all eat for breakfast after a night out? Leftover pizza or McDonald's. Something really stodgy.

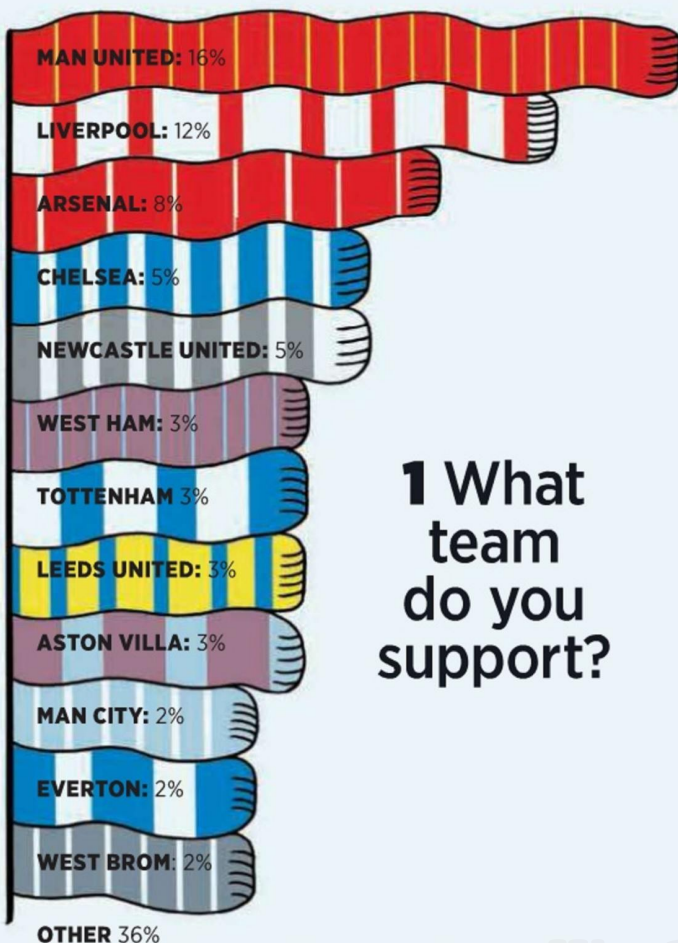

OK, Stacey, we've come full circle and finished where we started, talking about food. Is there anything that you'd like to ask us?

No. Is that it? That was the weirdest interview ever!

Sell:

The American music men on Muppets, free iPads, streaking and bursting into tears!

Copy:

THE RULES are simple. We fill our bucket full

of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

If you could be a video game character, who would you be?

Chiddy: Man! I'd be Sonic, collecting coins, running through the rings. Xaph would be Tails.

Xaphoon: You can't make me be Tails. You can't make me the girl. I'll be Yoshi [the dragon from the Mario Brothers games] because I'm the oddball.

What's the most embarrassing record in your collection?

Xaphoon: I don't think anyone should be embarrassed by what they listen to. That being said, I do have all the Muppet movie soundtracks.

"No, I want to clean the windows!"

Muppet Treasure Island, that sh*t is ill!

Have you ever slept with a fan?

Chiddy: Yeah. When my room's hot, I've got the fan on. I don't like being hot in the night.

What song lyric best describes you?

Xaphoon: There's no songs about nerdy white kids who make hip-hop beats.

What's the best thing you've got free since becoming famous?

Chiddy: An iPad 2. I was like, "You've got to be kidding me. This is not real life!"

Xaphoon: We were working on a sampling app so our manager was like [does serious voice], "If you want their input, you must send them free iPads."

Chiddy: I want a free car!

How many celebrity numbers do you have in your phone right now?

Chiddy: What a question! **Xaphoon:** I'm going to count. [Scrolls through phone.] Big Sean counts, right? That's one. Bombee, two. Chip The Ripper,

three. They're all rappers. **Chuck English,** four.

[Continues listing rappers we've never heard of.] **Mark Ronson,** eleven.

I'm killing it right now. [Continues] **16, Schoolly D,** legendary Philly rapper.

Chiddy: We need to utilise these numbers, dog.

If you've got **Rihanna,** I'm taking it home, bro.

Xaphoon: The answer's 20.

When did you last cry?

Xaphoon: I was really stoned and watching *Cool Runnings*. At the end I was weeping. Does that make me weird? I just lost a hundred fans. [Does English accent.] "You cried at the end of *Cool Runnings*? What a tosser!"

When was the last time you were billy-b*locks naked in public?

Chiddy: Billy-b*locks? You guys have funny words.

Xaphoon: I have, when the Phillies won the World Series. I was in my boxers standing on top of a car when it was driving down Broad Street.

Chiddy: I've walked around my hallway naked as someone dared me to.

Xaphoon: Who?

Chiddy: Some chick!

Would you rather have no elbows or no knees?

Xaphoon: I would rather have no knees because elbows are very integral to the music process.

Chiddy: You need these.

Xaphoon: I can't be playing the piano like that [mimes playing the piano with no elbows]. If I had no knees I'd get a hover chair. I could still make beats. I'd be chill.

Can you make up a song about Nuts right now?

Xaphoon: I'll give you a little drumbeat. [Starts drumming on the Nuts question bucket.]

Chiddy: "It's Nuts. So Nuts. Whassup? Ah, ah... this is nuts, Xaph's got the bucks, after the show, we're going to get the sluts [steady on, young man! - Music Ed]. Oops. Did I cuss? I'm a just block it, freestyle topic. I ain't gonna stop it, yeah I'm a rocket. Back on my nuts. Back on my nuts. Nuts, Nuts, I'll be on my nuts."

IMOGEN THOMAS

EXCLUSIVE!

Imogen bares all!

Back in the news, the Welsh beauty chats exclusively to *Nuts*!

THE TRUTH AT LAST!

Ryan Giggs was named last week as the man behind the court injunction.

WorldMag.net

OVER THE past year, few girls have been in the news more than Imogen Thomas. Her relationship

with Ryan Giggs – and the infamous super-injunction that attempted to stop everyone from talking about it – was one of 2011's biggest stories. And now, once again, Imogen finds herself back on the front pages of the tabloids. Last week, a judge in London's High Court ruled that the super-injunction would no longer stand, freeing newspapers to name randy Ryan as her former lover. Reason enough to get Imogen back in the studio for her raunchiest *Nuts* shoot yet? We certainly think so!

Hi Imogen! Can we ask you how you're feeling about all this injunction business?

Well, I've been advised that I still shouldn't talk about it at all. I just want to get my life back. I don't know what's happened, but I'd love to move on and do something that's not related to last year's events. You've got to be positive.

So, looking forward, this hasn't put you off blokes for life?

Not really. I wouldn't say it had put me off romance in any way.

Let's move on, then. There's a lot of nudity going down today, isn't there?

Ha! You know I actually find being naked on a shoot quite weird, purely because it becomes almost second nature to be walking around without a stitch on. You kind of forget that if you did this anywhere else, people would give you some funny looks!

Have you ever enjoyed the sandy nakedness of a nudist beach before?

I've done it before but I'd never go on one again. I just found myself staring at everyone, thinking, "Oh my God, they're all naked!" It's weird! I'm actually really shy when it comes to stuff like that. ▶

"I just want to get my life back... I'd love to move on!"

IMOGEN THOMAS

**“I’m a typical
Welsh girl – I can
drink anyone
under the table!”**

Do you have any weird hobbies that you do in the buff?

I always walk around my house doing the cleaning in just my knickers and bra. The only person who gets to see this is my cat, Louis. People tell me he's the luckiest cat in the world! I do my exercises naked, too.

Do your neighbours love you?

Probably! I haven't got curtains yet. I forget all the time. I'll be getting dressed and my friends will come round and say, "Imogen! People can see you, you know!" and I'll be, like, "No, they can't. Oh, hang on..."

What else is new with you?

I've got quite a few things on the go. I recently collaborated on a lingerie collection with Caprice, which was fabulous. I'd love my own range and would really love to have a crack at getting involved with brands like Ann Summers and Agent Provocateur.

What advice would you give our readers if they wanted to buy lingerie for their other half?

My golden rule is always go for black, see-through and silky. I prefer French knickers. They're ultra sexy. And don't be scared to have a quick look in her undie drawer, but do it while she's in the shower or she'll think you're a knicker sniffer. Ha-ha!

Good advice! Tell us, what are you like on a night out?

I'm crazy! I'm a typical Welsh girl on a night out – I'm always up for a laugh and I can drink anyone under the table. Normally, I'll roll in at about 5am and then spend the day afterwards hanging like hell, eating junk food. People know me for my feistiness.

Have you seen the likes of Geordie Shore and all that? They're pretty feisty.

I've not seen it, because I don't watch much TV really. But I was laughing my head off when I saw one of the Geordie Shore girls explaining what a "slut drop" was! [Imogen ►

demonstrates a dance for *Nuts*.] I just thought it was the most amazing thing ever! Now I always find myself doing it around the house.

Have you been offered any TV shows yourself recently?

I've had a few meetings. I'm definitely open to suggestions. I've said that I want to go on *I'm A Celebrity...* or *Dancing On Ice*. I'm crap at hand-to-eye coordination, so I'd be up for the challenge of having to dance from scratch. I've always wanted to do *71 Degrees North* – the mountain climbing show.

Really? Have you ever tackled a mountain before?

No, but I'm going to do Mount Kilimanjaro this year. I'm doing it for Together For Short Lives, which is an amazing children's hospice charity. My justgiving.com page is still open, so get donating!

Do people recognise you in the street? Are they generally nice?

Yeah. A lot of people have been really nice to me. It's easy for people to hide behind computers and slag you off, but they'd never dare say some of those things to your face.

What's are the worst lengths the paparazzi have gone to?

The "up-skirt" shots... It's disgusting. It's so hard, you know, because you're trying to get in your car and there's someone literally lying there!

Blimey! Do you ever feel like walloping them?

Yeah. Quite a few times. A lot of them are fine and we get along. It's interesting, a lot of the time I'm laughing in all the shots because they're falling over bins and bumping into people to get the pictures.

Thanks, Imogen. Finally, *Nuts* readers love you. Do you have a message for them?

Oh God, I love my *Nuts* readers, too – I really do. I always post stuff on my Twitter with you in mind, so thank you for your support. **X**

Nuts Games' top tips to help you win ££££s!

YOU MAY think Deal or No Deal is a game for those people who believe in so-called "systems". Well, the TV game show might very well be, but take it from us, the multi-line slot game most certainly isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself a massive £58,236!

Head over to www.nutsgames.co.uk and start playing NOW!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

Click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'Our sexy balcony fun'

I WAS on a girls' holiday recently and I met a gorgeous guy. One night, I took him back to my apartment, but when we got there we found my best mate had her own hunk in our room. Instead of stopping, she gave me the thumbs-up and carried on. He took me onto the balcony and I was already wet by the time he went down on me. Then he bent me over the table and took me hard from behind. We heard loud groans from inside and it wasn't long before we were making our own orgasmic sounds in unison with the other two!

Helen Essex

'I took him in my mouth'

I WAS at home getting ready for a night out when my boyfriend surprised me by coming home early. He knocked, gave me a cheeky smile and followed me to

the bathroom. I was surprised but pleased to see him strip off and hop in the shower with me. His hands slid all over my body, which drove me crazy. I crouched down and took him in my mouth while he yanked at my wet hair. He was groaning and I knew he was about to come. I stood up and

he pushed his erection inside me while I bit my lip to stop myself from screaming. We were both panting hard and I couldn't keep my hands off his body as he pushed me harder against the edge of the shower. It was bliss when I climaxed. I hope he joins me again soon!

L via email

'We got dirty in the pool'

ON A recent holiday, my friends and I took a water aerobics class. I assumed we'd have a lady teaching us, so when a handsome man appeared, a grin spread across my face. I went for it during the class, bouncing up and down and making my boobs jiggle, which didn't go unnoticed. I kept catching the instructor's eye and flashing him a smile. At the end of the class, he announced the pool was closed and asked us to leave but then walked up to me and whispered for me to wait. He disappeared and all the class had left so I just waited around in the water, then there was a splash and he swam up right next to me. We started kissing straight away. Not wanting to waste a minute, we had our hands in each other's swimwear and started getting dirty by the pool. Worried he'd get caught by his boss, he took me to his room where we finished what we'd started!

Hazel via email

'I rocked on top of him'

MY BOYFRIEND and I were taking a nice stroll round a local park the other day but I soon got a bit bored so I started thinking of things I could entertain myself with. I started bugging him about how hot it'd be to do it in the woods. So we waited for the families to pass and then I pulled him into the shrubbery. We found a tree to kiss against, which quickly escalated into some fast rubbing action. He must have felt turned on as he had my shorts and knickers down in an instant. He delved between my legs then I pushed him down onto a log and he was rock-hard and ready for action. I sat on top and rocked back and forth until he was ready to explode. We taught those squirrels a thing or two!

Bent: 'Bring on the Dutch!'

Darren Bent on the next England boss, his heroes and the Netherlands!

➔ **Hi Darren! Were you shocked when you heard Fabio Capello had left the England job?**

Yeah. Not many things shock me in sport but it came as a massive surprise. It was the last thing I expected to happen. It's a shame because Fabio and I got on really well. Obviously he left me out of the last World Cup squad, but since the summer things had been going great and we had a good understanding.

In the last year, you've become a regular. Now the manager has left, does it feel like you're starting again?
Yeah, definitely. I think everyone's starting with a clean slate now. It's quite exciting – we've got four months to prove ourselves to the new manager, whoever he may be. Players

will just have to concentrate on playing well for their clubs and see what happens.

How do you think it leaves the England team ahead of the Euros? Are you in good shape?
Yeah, I think so. We've beaten Sweden and world champions Spain in the last two friendlies. If we can get a result against the Dutch we'll be on course.

A lot's been made of the idea that the new manager should be English. Do you agree?
I don't think so. All that matters is that the new coach is passionate and knows what football means to the country. If they have big-tournament experience, it would be a plus.

Your old boss Harry Redknapp is favourite for the job. Would he make a good national boss?
There's no reason why not. He's done really well with

Spurs – they're a force to be reckoned with. If he can do that for England, then great.

Is there anyone you'd really like to see become manager?
Not particularly. Like I said, if they're passionate about the role, that's all you need. To be fair, anyone the FA chooses won't be a bad manager.

As for the game against the Netherlands, if selected, are you looking forward to it?
I can't wait! It was amazing to play against a team like Spain last time round. Their quality's unreal and you always want to play against the best. I'd put the Netherlands in the same bracket. Bring it on!

What have you made of Robin van Persie's form this season? He's going to be a threat.
He's always been a fantastic talent. He can score so many different types of goals, and his all-round play is incredible. For me, he's up there with David Silva for player of the year.

Which players impress you most in the England team?
There are the obvious ones like Wayne Rooney, who's great in training and on the pitch, but for me it has to be Steven Gerrard. He's technically

gifted and always gives 100 per cent, no matter what.

How about your own form? Are you happy with how you've been playing?
It's going pretty well at the moment. As a team we can improve and get ourselves a bit higher up the table, but I'm sure that'll come. As long as someone's sticking the ball in the net, that's all that matters.

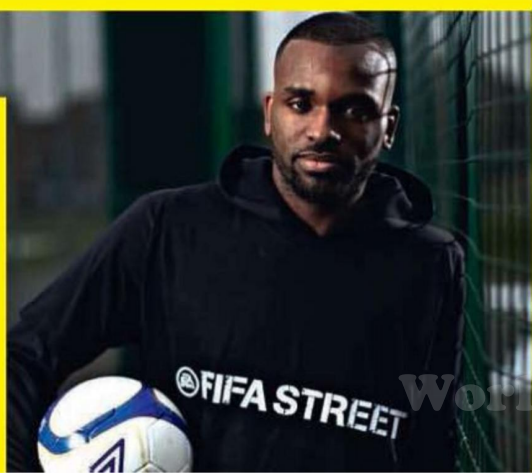

Who were your sporting idols when you were growing up? Which footballers did you really look up to?
Ian Wright, for sure. I was an Arsenal fan as a kid and he was a big hero of mine. I just love goalscorers. Alan Shearer, Andy Cole – they were people I looked up to.

Thanks, Darren! Finally, we know you love your gaming. When you play FIFA 12, do you always start yourself in the England team?
Ha-ha! Yeah, you always want to see yourself on the pitch. It's funny to see the animation and how you appear. I love it!

● *England vs Netherlands is on ITV1/HD on Wednesday 29 February at 8pm*

**Merse's
striker picks
for Euro
2012!**

WAYNE ROONEY

"Wayne has to go despite his suspension. He'd get in any team at the Euros."

DANIEL STURRIDGE

"He has pace and can play in a number of positions, which is very useful."

DARREN BENT

"Darren's a fox in the box and guarantees you a goal every couple of chances."

BOBBY ZAMORA

"A player who can hold the ball up, he gives England something different."

ANDY CARROLL

"England need a big man when chasing a game. Andy's started doing well."

"Argh! Just trod
on a drawing pin!"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

The Hover Ball was Fifa's best innovation yet!

"C'mon, you slaaaags, I'll take you all on!"

England's young guns should go for it!

Pearce's new look squad has me buzzing!

➔ **I HAVE** to admit, when I first heard Stuart Pearce had picked an "experimental" squad to face the Dutch this week, I wasn't happy. "What a waste of time!" was my immediate reaction, but then I looked at the names and couldn't help but be impressed. Pearce's

selections are packed with vitality and pace – for once I'm actually excited about an England friendly!

There's no pressure on Wednesday – England can go out and play with freedom for the first time in ages. We'll get to see how our younger players match up to one of the best teams

in the world. I'm particularly pleased for Sunderland's Fraizer Campbell. After an injury nightmare it's great to see his recent form rewarded with a call up.

As for the new England kit, that doesn't look half bad either, I'll wear it with pride this summer. C'mon, England!

Time for Wenger to go

I LOVE Arsene Wenger, the man is an absolute legend and has done so much for Arsenal and the Premier League, but enough is enough. It seems to me that the Gunners manager has reached the end of the road and I think it would be beneficial for him and Arsenal to part ways. Arsene desperately needs a new challenge and I just don't think he has the appetite to build a new team at the Emirates.

The Frenchman cannot be enjoying his time in London any more. He looks haunted and in desperate need of a break. I'm sure Arsenal could tempt a world-class replacement who's willing to spend big to rebuild, while Wenger could walk into most major clubs if a position became available. It's time to say au revoir, Arsene.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

GREAT GIGGSY!
Ryan Giggs has played 900 games for Man United, unbelievable! The Welshman is still brilliant too! I played 600 games and that was hard enough. I don't know how he does it!

UNBELIEVABLY BAD!

POOR POMPEY!
It's so sad to see what's happening at my old club Portsmouth. They might not even have enough cash to finish the season. They need a buyer and fast!

THE BIG MATCH!

Looks like things have turned ugly. Alright, even uglier...

Villas-Boas sacking is now looking inevitable

I'M AFRAID Chelsea manager Andre Villas-Boas is on borrowed time. It seems the players are against him and he's received no public backing from the hierarchy at Stamford Bridge. I think the Portuguese manager came to the Premier League too quickly – he did brilliantly at Porto but maybe needed more experience to manage at Chelsea. I can't see him lasting much longer before Roman gives him the chop!

Tottenham vs Man United

4 MAR, 4.10PM • SKY SP1/HD

The more I watch Spurs, the more I like them! Every game at White Hart Lane is special at the moment and Harry Redknapp will have his players geared up to face the champions. Man United are tough cookies but I think they will come and attack, which could play into Spurs' hands.

KAMMY'S PREDICTION: 2-1

Key man

Former Man United player Louis Saha could return to haunt his old club. The Frenchman will have something to prove so keep an eye on him.

Tevez can win league for City!

I'VE CRITICISED Carlos Tevez but the Argentine has apologised now and if he can replicate last season's form, he could win City the league. Then he could leave in the summer with his reputation somewhat restored. Everyone wins!

Wow! Look at him go! Nobody runs to the airport like Tevez!

He still hadn't mastered the art of flashing

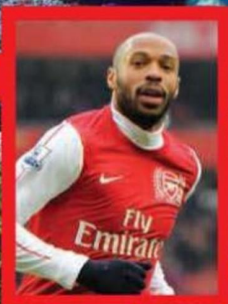

Tips for Thierry's new fish tank!

We give Thierry Henry ideas for his £250k aquarium!

ARSENAL LEGEND

Thierry Henry has decided to demolish his £5.9million home in London so he can rebuild it complete with a 40ft high, 5,500-gallon fish tank. We thought we'd help the fish-mad Frenchman out and suggest a few new friends who'd be at home in his absurd aquarium!

ROBIN THE GREAT WHITE

Robin van Persie

Deadly but often isolated, great white sharks are ruthless predators but usually hunt alone, without any help whatsoever!

ANDREI THE JELLYFISH

Andrei Arshavin

With no brains or central nervous system, jellyfish float around aimlessly, not really doing anything. Sound familiar, Andrei?

NICKLAS THE SEAHORSE

Nicklas Bendtner

The dwarf seahorse is the world's slowest fish, moving just 150cm an hour. Still, it's a metre more than Nicklas runs in 90 minutes.

THIERRY'S FISH WISH!

Details about Thierry's four-storey tall, 300-fish tank proposal were reported on last week.

A vibrant, colorful illustration of an underwater coral reef. The scene is filled with various types of coral in shades of green, pink, and purple. Several fish are visible, including a large blue whale, a clownfish, and a small yellow fish. In the foreground, there is an octopus and an eel. The heads of these animals are replaced by the faces of famous footballers: Thierry Henry for the whale, Manuel Almunia for the clownfish, Arsene Wenger for the octopus, and Theo Walcott for the eel. The background is a deep blue, suggesting the ocean's depths.

PER THE WHALE

Per Mertesacker

Per would just about fit in Thierry's tank. Whales are large, lumbering beasts known more for intelligence than speed. Apt, really.

MANUEL THE CLOWN FISH

Manuel Almunia

Definitely the joker in the tank. We also know for a fact that clown fish can't catch crosses, much like Manuel in real life.

ARSENE THE OCTOPUS

Arsene Wenger

Highly intelligent, octopuses also have excellent defence mechanisms. Very handy if you're facing yet another trophyless season.

THEO THE ELECTRIC EEL

Theo Walcott

Erratic and unpredictable, Theo would speed past the tank's other inhabitants, but we'd wager an actual eel's better at crossing.

CRAZY
CRASHES

We love pile-ups in **NASCAR**, as long as everyone's OK, of course. Something has to break up the tedium of watching cars drive round in a circle for hours on end.

Norway's **LOTTE SMISETH SEJERSTED** tackles the Sochi Olympics downhill course on her head. To be honest, we can't see this catching on, but every credit to her for trying it.

We often head to McDonald's after a rigorous cycling session in the gym, but this nutter has decided to take it one step further at the **MOUNTAIN BIKE SNOW RACE GP** in Saint-Sylvestre. Amazing!

And we thought Carlos Tevez had gone back to Manchester! This **STEUA BUCHAREST FAN** does his best to scare the bejesus out of the opposition.

“Quote me on that!”

This week's biggest match debaters!

“It came as a shock, but nothing in football surprises you”

Is it possible to be shocked but not surprised, Neil Warnock?

“It might be the first year where three promoted teams have stayed up. 2002 was the last time”

So, not the first time then, Mark Lawrenson

“At every football match there are 45 million cameras”

Gary Neville isn't one to exaggerate.

“We've had a lot of injuries because we couldn't get them to see Jesus Christ quick enough”

Steve Cotterill on Forest's physio.

“Roger Johnson's lost so much weight he must be dyslexic.”

Charlie Nicholas hasn't heard of anorexia.

“I didn't let Valentine's Day disrupt my love affair with my TV”

Don't ask where Assou-Ekotto puts the remote.

OO-ER SOUNDS A BIT RUDE CORNER!

“Cisse shows he's a big handful”

Gary Neville on Newcastle's monster weapon.

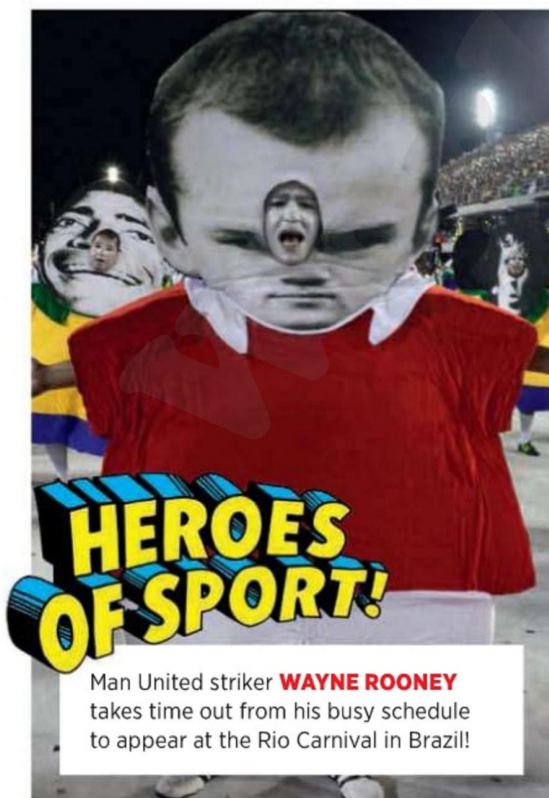

“It's rumoured that Andre Villas-Boas really fancies David Luiz”

David Pleat starts the gossip.

“We just keep our head down, backside up in the air and keep going”

Norwich boss Paul Lambert assumes the position.

Man United striker **WAYNE ROONEY** takes time out from his busy schedule to appear at the Rio Carnival in Brazil!
